About Us

With a history that dates back to 1996, Prime Plast was built upon decades of experience in the plastic and furniture industry.

Our journey began with a passion for innovation, quality, and functionality – values that continue to guide us today. At Prime Plast, we design and manufacture modern, durable, and high-quality products that bring comfort and style to everyday life.

Our goal is simple yet ambitious: to deliver excellence without compromise and to make Prime Plast a trusted brand in homes and businesses around the world. Driven by a young, dynamic, and professional team, we continuously invest in technology, design, and sustainable production processes to meet the evolving needs of our global partners.

With our expanding product range and growing export network, Prime Plast is proud to represent the harmony of Turkish craftsmanship and international standards. Prime Plast – Designed for Life. Built for the World.
